

Hi,

Thank you all for your service on the WSU Educational Leadership **PEAB**.

I look forward to our first meeting of the academic year 2022-2023 on October 24, 2022 @ 2:00-3:30.

We will meet over Zoom. The link is:

<https://zoom.us/j/5630880432>

Agenda:

Welcome and Introductions

Since we have so many new members this year please be prepared to share:

Your name

Where you work and what you do there

Prior experience with **PEAB** work and/or leadership preparation work

Appointment of Secretary (we need formal minutes taken each meeting)

Discussion: Pressing issues for Leadership preparation

Purpose: Identify topics for the WSU **PEAB** to take on this year as well as addressing accreditation work

Please be ready to offer 1-2 pressing issues you believe are important for leadership preparation programs to consider

In addition to offering pressing issues, where might we be able to gain some traction?
What practices are key? What knowledge/information is needed to surface those practices in preparation programs and leadership practice in our regions?

Update on Principal Accreditation work

PESB accreditation news (e.g., calendar, evidence, processes)

Alignment of courses to NELP, Since Time Immemorial, SEL, and CCDEI+ standards (on-going work update)

Next steps for program work (aligning state requirements with your recommendations)

If you have not had an opportunity to review the WAC 181-78A-205, that outlines **PEAB** responsibilities, it can be found here:
